

CodaMedical FFP2 NR protective respirators are a perfect option for Aged Care and Hospitals who need higher levels of protection. Blocks 95% of incoming particulates.

Our respirators are TGA Approved (ARTG 343079).

Each respirator has an adjustable nose clip and elastic ear loops, to ensure comfy and efficient protection.

4 Layers Protection

Uses a triple layer of nonwoven plus one of melt-blown material to block 95% of incoming particulates.

High Breathability

The adjustable nose piece provides a secure seal. Easy Breathing: Advanced non-woven fabric is easy to breathe through.
